

Colin in Computerland

Story 1: The Island Monster

One day a plane flies over Colin's house.

Colin - here's a parcel for you! Catch!

What? A parcel? For me?

1

Colin opens the parcel.

Another computer game! And what's this? Oh, it's a compass. Hey, that's really cool!

2

He puts the game in his computer.

NILOC? What does that mean? I think it's a code word!

3

And suddenly...

N-I-L-O-C. Wooah! I'm going into Computerland again!

4

Colin is in the sea!

SPLASH!

Where am I now? Oh no! It's a long way to the beach! Can I swim that far?

5

Colin arrives at the beach.

CRASH! CRASH!

What's that noise? There's something in the jungle! It's coming this way.

6

Then Colin hears a girl's voice...

Colin! Help! It's the Island Monster. It's got me! Help!

That's Clara's voice! Clara? Where are you?

7

Help! Help!

Oh no! What can I do?
